

# HOLIDAY SHOPPING

*to benefit our community*

**Please Support  
Building New Hope  
Thursday, November 29      6:00-8:00 PM**

Shop at Ten Thousand Villages on November 29, and a percentage of your purchase will be donated to **Building New Hope**. Your holiday gifts can give three times: to the recipient, the artisan, and **Building New Hope!**

In Nicaragua, **Building New Hope** partners with a worker-owned organic coffee cooperative, operates two supplemental schools for at-risk youth, and provides high school scholarships for students in need. In Pittsburgh, we engage with local schools and universities, faith groups, farmers, non-profits, community groups, and businesses to promote healthy ecosystems and to spread awareness about how fair trade relationships can help to reduce poverty and inequalities.
