Dear Friends,

Join me in supporting Building New Hope's 12th Annual Benefit Raffle. Your donation funds our education programs - and gives you an opportunity to interact with the Nicaraguan students and teachers your donation supports. Win a chance to immerse yourself in the historical city of Granada, see our social projects first-hand, and learn more about this resilient and fascinating country.

For a donation of \$100 (or \$500 for 6 tickets - an extra chance to win), you transform lives through education and you enter to win a trip for two people to Nicaragua (you can also opt for \$1500 in cash instead). The lucky winners will tour the city of Granada and meet the wonderful teachers and children who participate in the education projects that your donations make possible.

Our dedicated Nicaraguan educators – Ivañía, Karla, Norma, Fátima, Mario, Luís, and Juan – provide a professional supplemental education experience for the students. They teach a morning and afternoon program, stay in touch with families, tutor our secondary school scholarship recipients, organize special field trips, and provide a dynamic, supportive and safe learning environment for students in need.

To enter the raffle, visit www.buildingnewhope.org for on-line donations or mail your donation to Building New Hope, 305 34th Street, Pittsburgh, PA 15201. Please indicate "Raffle 2018" in the memo on your check. Only 150 chances are available in the raffle. If you do not win the 1st prize trip (or cash), 2nd prize is one pound of coffee a month for a year and 3rd prize is a Nicaraguan pottery piece.

The winners will be chosen on Wednesday, June 27, 2018. If you are local, join us June 27 from 5-7 p.m. at Franktuary for food and drink at 3810 Butler Street, Pittsburgh PA 15201. The drawing will be held at 6:30 p.m. and 10% of your food and drink tab during those hours will be donated back to Building New Hope.

Building New Hope has partnered with teachers, students and farmers in Nicaragua for more than 20 years, not just collaborating on projects, but forming deep friendships and bonds. In this moment, we want to express our solidarity with our friends and partners there, and our continued commitment to our projects.

Executive Director
